# **Checklist** of Official Publications of the State of New York Published by the New York State Library since 1947

#### SCOPE

The *Checklist* is a monthly compilation of New York State documents with a publication date of 2001 or later acquired by the New York State Library.

#### CITATIONS

Citations are arranged in **New York State Document Classification System** (NYDoCS) call number order. Each citation is assigned a sequential number beginning with 1 in the first issue of each year. Serial issues received during the year cumulate with each appearance in the *Checklist*. Citations may also contain one or more of the following flags to assist readers:

Core Title - A core reference title distributed through the Document Depository Program.
Correction - A previously checklisted item corrected and re-checklisted in this issue.
New Agency - A new or changed agency name or NYDoCS agency code.
New Serial - A serial title appearing for the first time in this issue of the *Checklist*.
Not Scanned - An item not available electronically from the State Library.

#### **AGENCY and TITLE INDEX**

The monthly index combines titles and agencies (whose publications would otherwise be dispersed throughout due to the NYDoCS keyword classification arrangement) into a single alphabetical list.

#### **DEPOSITORY PUBLICATIONS**

Each citation contains a depository publication code indicating titles which have been distributed under the **New York State Document Depository Program**. These codes appear in the serial holdings field or, for all other materials, following the OCLC number. A second set of depository publication codes appear along side each citation for quick reference. One or more of the following codes may be used:

- D = New York State Documents Depository Library
- R = New York State Documents Research Depository Library  $\mathbf{Q}$
- $C = New York State Documents Reference Center <math>\Theta$
- I = New York State Documents Information and Access Center  $\mathbf{V}$
- X = Not available for distribution
- E = Acquired by the New York State Library in electronic format 🛠

#### NEW YORK STATE DOCUMENT DEPOSITORY PROGRAM

For a list of participating depository libraries and a description of the Document Depository Program, consult the most recent January issue of the *Checklist* or visit the NYSDDP web site **<www.nysl.nysed.gov/nysdep.htm>**.

#### AVAILABILITY

All titles are available on interlibrary loan from the New York State Library. Requests should be channeled through normal interlibrary loan procedures. Please supply a full bibliographic citation with each request.

All titles, unless otherwise noted, are available electronically as PDF images via Excelsior, the State Library's online catalog **<www.nysl.nysed.gov/xcelsior.htm>**. Titles coded with an "E" were acquired in electronic format directly from the agency.

Monthly and cumulative issues of the *Checklist* are available in Rich Text Format (.rtf) and as pdf files from the State Library **<www.nysl.nysed.gov/edocs/education/chcktext.htm>**.
